 **ERETM-0 - Intro & ToC** --  (583 K) Hits: 52
 **ELREN Renewable Energy Training Manual - Chapter 0 - INTRODUCTION & TABLE of CONTENTS**
 Presentation
 List of Acronyms & Abbreviations
 Table of Contents

 **ERETM-01 - Intro Leader** --  (683 K) Hits: 47
 **ELREN Renewable Energy Training Manual - Chapter 1 - Introduction to LEADER PROGRAMME in the EU**
 1.1 Objectives
 1.2 Some Terms
 1.3 LEADER – Origins and Background
 1.4 The LEADER Method
 1.5 Administration and Delivery of LEADER
 1.6 The Managing Authority
 1.7 LEADER+ in Ireland
 1.8 How has LEADER performed?
 1.9 Sources of Further Information
 1.10 References

 **ERETM-02 - RE Terminology** --  (781 K) Hits: 55
 **ELREN Renewable Energy Training Manual - Chapter 2 - Introduction to Renewable Energy TERMINOLOGY**
 2.1 Objectives
 2.2 Number conventions
 2.3 Energy and power
 2.4 Units of energy - joule and kWh
 2.5 Energy contents of fuels
 2.6 Prefixes for units
 2.7 Calculating energy consumption or production
 2.8 Case study on Building Energy Rating
 2.9 Other units of energy and power
 2.10 Summary
 2.11 References

 **ERETM-03 - Intro RE** --  (742 K) Hits: 44
 **ELREN Renewable Energy Training Manual - Chapter 3 - Introduction to RENEWABLE ENERGY**
 3.1 Objectives
 3.2 Introduction
 3.3 Definitions
 3.4 Energy Supply and Use – Global
 3.5 Energy Supply and Use – Europe
 3.6 Energy Supply and Use – Ireland
 3.7 Energy and Climate Change
 3.8 Summary
 3.9 Sources of Further Information
 3.10 References

 **ERETM-04 - Solar Geothermal** --  (1215 K) Hits: 46
 **ELREN Renewable Energy Training Manual - Chapter 4 - SOLAR GEOTHERMAL ENERGY**
 4.1 Objectives
 4.2 Introduction to Solar Energy
 4.3 Introduction to Geothermal Energy
 4.4 Heat Pump Technology and Applications
 4.5 Types of Collectors
 4.6 System Components
 4.7 Maintenance and operation
 4.8 Sources of further information
 4.9 References

 **ERETM-05 - Solar Photovoltaics** --  (958 K) Hits: 48
 **ELREN Renewable Energy Training Manual - Chapter 5 - SOLAR PHOTOVOLTAIC ENERGY**
 5.1 Objectives
 5.2 Introduction to Solar Energy
 5.3 Introduction to Photovoltaics
 5.4 Photovoltaics: The Technologies
 5.5 Photovoltaics in Ireland
 5.6 Useful Resources
 5.7 References

 **ERETM-06 - Solar Thermal** --  (2681 K) Hits: 48
 **ELREN Renewable Energy Training Manual - Chapter 6 - SOLAR THERMAL ENERGY**
 6.1 Objectives
 6.2 Introduction to solar energy
 6.3 Solar energy availability in Europe
 6.4 Passive Solar Houses
 6.5 Solar Hot Water
 6.6 National Installed Capacity
 6.7 Financial viability

- 6.8 Solar Air Heating
- 6.9 Solar Combi-systems
- 6.10 Barriers to entry for solar thermal
- 6.11 Government Supports
- 6.12 Sources of Further Information
- 6.13 References

 **ERETM-07 - Wind Energy** --  (1195 K)

Hits: 49

ELREN Renewable Energy Training Manual - Chapter 7 - WIND ENERGY

- 7.1 Objectives
- 7.2 Context
- 7.3 Wind Energy Technology
- 7.4 Power and Energy from Wind Turbines
- 7.5 Wind Resource Assessment
- 7.6 Wind Project Development Phases
- 7.7 Offshore Wind Development
- 7.8 Small Scale Wind
- 7.9 National Potential
- 7.10 National Installed Capacity
- 7.11 Barriers to Adoption
- 7.12 Relevant Policy and Legislation
- 7.13 Government Supports
- 7.14 Financial Viability
- 7.15 Case Studies
- 7.16 Sources of further information
- 7.17 References

 **ERETM-08 - Hydro Energy** --  (1214 K)

Hits: 38

ELREN Renewable Energy Training Manual - Chapter 8 - HYDRO ENERGY

- 8.1 Objectives
- 8.2 Hydro Energy Technology
- 8.3 National Potential
- 8.4 National Installed Capacity
- 8.5 Barriers to Adoption
- 8.6 Relevant Policy and Legislation
- 8.7 Government Supports
- 8.8 Financial Viability
- 8.9 Case Studies
- 8.10 Sources of further information
- 8.11 Internet sites
- 8.12 References

 **ERETM-09 - Anaerobic Digestion** --  (971 K)

Hits: 38

ELREN Renewable Energy Training Manual - Chapter 9 - ANAEROBIC DIGESTION

- 9.1 Objectives
- 9.2 Anaerobic Digestion - Background
- 9.3 Anaerobic Digestion - Process Conditions
- 9.4 National Potential
- 9.5 National Installed Capacity
- 9.6 Barriers to Adoption
- 9.7 Relevant Policy and Legislation
- 9.8 Government Supports
- 9.9 Financial Viability
- 9.10 Case Study - Filskov Centralised Biogas Plant
- 9.11 Sources of Further Information
- 9.12 References

 **ERETM-10 - Wood Energy** --  (1154 K)

Hits: 45

ELREN Renewable Energy Training Manual - Chapter 10 - WOOD ENERGY

- 10.1 Objectives
- 10.2 Wood energy technology
- 10.3 National installed capacity
- 10.4 National potential
- 10.5 Barriers to adoption
- 10.6 Relevant policy and legislation
- 10.7 Government supports
- 10.8 Case study on financial viability
- 10.9 Summary
- 10.10 Sources of further information
- 10.11 References

 **ERETM-11 - Liquid Biofuels** --  (638 K)

Hits: 39

ELREN Renewable Energy Training Manual - Chapter 11 - LIQUID BIOFUELS

- 11.1 Objectives
- 11.2 Definitions and Classification
- 11.3 Liquid Biofuels Technology
- 11.4 Benefits
- 11.5 National Potential
- 11.6 Barriers to Adoption
- 11.7 Relevant Policy and Legislation
- 11.8 Government Supports
- 11.9 Financial Viability
- 11.10 Case Study: Wexford Pure Plant Oil ([here](#))
- 11.11 References

 **ERETM-12 - Business Planning & Finance** --  (891 K)

Hits: 41

ELREN Renewable Energy Training Manual - Chapter 12 - BUSINESS PLANNING & FINANCE

- 12.1 Objectives
- 12.2 The Structure and Composition of a Business Plan
- 12.3 Project Finance
- 12.4 Funding Sources
- 12.5 Proposal Writing
- 12.6 Calculators & Case Study
- 12.7 Further Information
- 12.8 Useful Web Sites
- 12.9 References
- 12.10 Sample Project Summary Form

 **ERETM-13 - Particip, Consult & Planning** --  (670 K)

Hits: 36

ELREN Renewable Energy Training Manual - Chapter 13 - PARTICIPATION, CONSULTATION & PLANNING PROCESS

- 13.1 Objectives
- 13.2 Part One: Consultation and Participation
- 13.3 Part Two: Renewable Energy and the Planning Process in Ireland

-  **ERETM-14 - Energy Policy & Legislation** --  (742 K) Hits: 36
 **ELREN Renewable Energy Training Manual - Chapter 14 - ENERGY POLICY & LEGISLATION**
 14.1 Objectives
 14.2 What is Policy?
 14.3 European Union Policy Relevant to Renewable Energy
 14.4 Irish Policy Relevant to Renewable Energy
 14.5 Sources of Further Information
 14.6 References
-  **ERETM-15 - Country Report: ITALY** --  (1400 K) Hits: 34
 **ELREN Renewable Energy Training Manual - Chapter 15 - Country Report: ITALY**
 15.1 Policy and Legislation
 15.2 Overview of RE Technologies
 15.3 Planning and Consultation
 15.4 References
-  **ERETM-16 - Country Report: THE NETHERLANDS** --  (1602 K) Hits: 26
 **ELREN Renewable Energy Training Manual - Chapter 16 - Country Report: THE NETHERLANDS**
 16.1 Policy and Legislation
 16.2 Overview of RE Technologies
 16.3 Planning and Consultation
 16.4 References
 16.5 Annex 1 Case Study Photovoltaic
-  **ERETM-17 - Country Report: SPAIN** --  (1615 K) Hits: 32
 **ELREN Renewable Energy Training Manual - Chapter 17 - Country Report: SPAIN**
 17.1 Policy and Legislation
 17.2 Overview of RE Technologies
 17.3 Planning and Consultation
 17.4 References
