Who are we ?

# LAGs Romana

Local Action Group  
located in

**3 small towns and their villages**

**Ro** - Rochefort

**Ma** - Marche-en-Famenne

**Na** - Nassogne

Where ?

What ?

## Where ?

In Wallonia, between Brussels and Luxembourg.

The LAG's territory straddles two provinces : Luxembourg (not the country) and Namur

We speak french.

# What ?

Aside of our digital projects, we work on :

## Food aid

The goal is to coordinate the charities structures trying to help vulnerable people.

## Soft mobility

We make citizens aware about road safety and sharing.  
We get them involved in sustainable transport.

## Green tourism

The aim is to promote the region as a hot-spot of greentourism.

**Digital Center**

*Promote the digital creativiyy !*

Presentation

Multi-  
tools

Plan

# Presentation

The E-square has been created by the local authority of Marche-en-Famenne.

The target is clear : **to capture the creativity of people and to create a digital community into this digital creative space.**

# Multi-tools

**Coworking** : shared digital workplace for people but also for startups where knowledge sharing, creativity and open minded are promoted.

**FabLab** : it is a laboratory where digital production tools are available to public.

**Trainings** : digital courses given to learn how to use these tools.

**Spaces** : into this 800m<sup>2</sup> square, there are conference rooms, meeting rooms, relax place, kitchen,...

creativity

# La Fameuse Web TV

[www.lafameuse.tv](http://www.lafameuse.tv)

- > **Showcase** of every kind of activities.
- > **Positive content**, sometimes in a quirky way !
- > **Famenne identity**.
- > **Easy** to access.
- > **Bottom-up**.

# Innovation & Digital creativity

We animate the E-square by

- > creating some digital and **creative workshops**.
- > organising **courses** about digital tools.
- > being a **digital support** to entrepreneurs, craftsmen and retailers.
